

ADDITIONAL PROCEDURES & ADD ON SERVICE AUTHORIZATION

If there are any additional necessary medical procedures such as the removal of retained testicles, retained teeth removal, umbilical hernia repair, etc: **(MUST CHOOSE ONE)**

- A. Perform any necessary procedures, I give full consent.
- B. Perform any necessary procedures up to \$25, I give full consent.
- C. Perform any necessary procedures up to \$50, I give full consent.
- D. Perform any necessary procedures up to \$75, I give full consent.
- E. Perform any necessary procedures up to \$100, I give full consent.
- F. Do NOT perform any additional procedures without speaking with me first. I understand that this means my animal *may need* to be re-sedated at a later date to resolve the issue, and more cost will be incurred.
